Adoption UK's vision is for an equal chance of a bright future for every child unable to live with their birth parents, and we are the leading charity providing connection, support and advocacy for adoptive families.

Created in 1971; we provide a strong supportive community and the largest voice of adoption in the UK. Our community is connected by the need to understand the challenges of adoptive and kinship families and to celebrate the rewards together. Our services are unique because they are developed by, for and with adoptive families and adopted people.

We offer hope and understanding by providing vital support, training, community, and voice to all those involved in adoption, including prospective adopters, adoptive families, adopted young people and adults, and professionals. We are increasingly working to support kinship care families.

We campaign tirelessly to ensure that adoptive and kinship families receive the support they need to thrive. Our best advocates are parents, adopted people and the professionals who support them, and we ensure their voices are heard by policy and practice decision makers.

Our Purpose

To secure the right support at the right time for the children at the heart of every adoptive and kinship care family.

Our Vision

An equal chance of a brighter future for every child unable to live with their birth parents.

Our Values

We are Open

- We champion every adoptive and kinship care family – we value diversity, equality and inclusion.
- We're honest about the realities of adoption and kinship care, and about what needs to change.
- We work constructively with others – we stand up for great ideas, good decisions and excellent support for families.

We are Stronger Together

- We pioneer peer support in adoption and kinship care.
- We enable families to build, and draw strength from, their networks.
- We work with families to build an expert case for better support.

We are Determined

- We won't stop until every adoptive and kinship care family has what they need to thrive.
- We will empower every adoptive and kinship care family to ask for, and get, what they need.
- Together, our community is a powerful force for change in the lives of the children we love.

Our Mission

In pursuit of our mission we:

Provide **peer to peer support** through our online information, message boards, helpline and different levels of individual support, depending on need. All those providing this support communicate from their lived experience of adoption and/or professional expertise.

Influence decision makers through the knowledge and experience of our members and the wider adoption and long-term fostering communities. We carry out research, develop case studies and contribute to empirical evidence of what it is like to be an adopter or long-term carer of a child who is unable to live with their birth family in the 21st century.

Provide training and publications that set out to inform adopters, carers and professionals alike of the neurological and psychological effects of early childhood trauma and attachment difficulties. Adoption UK helps parents and carers to transform the lives of children, so that they can better overcome and come to terms with what has happened in their lives.

Our Strengths

Empowering

We seek to empower the adoptive and kinship care families and individuals we exist to support. We want to equip those who wish for it with the knowledge, support and resources they need to secure the best for themselves and their families.

Lived experience

90% of our staff, volunteers and trustees are personally connected with adoption and kinship care, as adopters, carers or as adopted people. We draw our expertise from the heart of the community we serve to bring the lived experience of adoption and kinship care into every part of our work

Four Nations

We work across the whole of the UK. We have national teams in each country and tailor our programmes to take opportunities and address priorities in each nation. We align our work to make sure that our collective resources, insights and experiences combine to help adoptive and kinship families thrive, wherever they are.

Equality, diversity and inclusion

We are committed to inclusion across our staff, volunteer and membership bodies. We are working proactively to enhance an organisation culture which celebrates the diversity of the adoptive and kinship community. We want to ensure that everyone we work with feels respected and supported, independently of race, sexual orientation, gender, language or ability.

Partnerships

We value partnership. We know that priorities for adoption and kinship care families affect many other communities, and we can often achieve more for our community by making common cause with organisations and individuals which share our values

FAQ

Why do you need to check my eligibility to work in the UK?

In order to comply with legislation, all employers in the UK are required to make basic document checks on every person they tend to employ for paid or unpaid work. We have to ask all applicants who are offered a role to provide proof that they can be legally offered unpaid work in the UK. If we do not see satisfactory documentation, the opportunity to volunteer may be withdrawn or terminated.

Why do I need a DBS before I can work for Adoption UK?

It is standard practice for anyone working in the charity sector to have an enhanced DBS or PVG in place if they are going to be working with children or vulnerable people. In 85% of DBS applications, it can take around a week for a DBS to be completed. However, sometimes this can take longer and unfortunately you will not be able to join us until it has been completed.

What if I have content on my DBS/PVG?

Depending on the nature of your conviction, we will do a risk assessment against the role you have applied for. We appreciate honesty.

What benefits do Adoption UK offer?

Some of our benefits are:

- Generous annual leave which accumulates with service
- Office closure over the Christmas period
- Enhanced Family Friendly Policies
- Hybrid and flexible working
- Enhanced Sick pay
- Support through our Employee Assistance Programme
- Discounts of big name retail and Leisure through our Advantage Scheme
- Eyecare vouchers
- Free will writing service

What will happen to the information on my form?

Information about you will always be treated in strict confidence. All information with regards to recruitment will be collected, stored and used in accordance with the Data Protection Act 1998. The data will be used to assess your suitability for the role you have applied for.

Unsuccessful applications will be stored for six months before being confidentially destroyed. Successful applications will be transferred to a personal file.
